### REPRESENTATIONS

The Foundation views it as a critical component of its own mission and of the value of this Program to enhance collaboration among the diverse groups working to reduce antisemitism and to share information, experience and ideas that will lead to the development of knowledge and best practices that will limit the growth of hatred and antisemitism. Accordingly, as a condition of your participation in the Program, we require your commitment to:

1. share your experiences with the Program and what you have learned with students who participate in this program in subsequent years, both in an informal (one on one meetings and through email and phone conversations) and formal (participation in presentations and panels) setting.
2. submit, within three months of the completion of your internship, a writing (1250 words minimum) developed under the supervision of the Foundation's Executive Director, that either a) describes the work undertaken during the internship and how it contributes to the field, or b) based on work undertaken during the internship, makes a contribution to the literature in the field (such as an analysis with policy recommendations)

*By signing below, I certify that all of the information I have presented herein is true and correct, and I agree to the representations above.*
